

The background of the entire page is a photograph of a yacht's deck. The view is from the side of the deck, looking forward. The sun is low on the horizon, creating a bright starburst effect and casting long, warm shadows across the teak-planked deck. The sea is a deep blue with gentle waves. A curved stainless steel railing runs along the edge of the deck. On the left, a large, dark, curved structure, possibly part of the yacht's superstructure or a canopy, is visible.

SEPTEMBER EDITION

Dear Follower,

September has been a very busy month for TheYachtMarket team. The Southampton International Boat Show has given us a fantastic kick-start to the autumn boat show season in 2019. We were delighted to be involved once again, this year as the official sponsor of the TheYachtMarket.com Champagne and Seafood Bar.

The bar was perfectly located at the new Quarterdeck, a fresh, modern eatery with waterfront views; the perfect spot to watch the on-water entertainment with room for more than 40 guests.

This year, the weather was simply glorious for the entire 10-day show, providing an ideal setting for visitors to relax with members of our team and find out how to buy and sell a boat. This was amplified by our hugely successful daily event, 'Fizz at Five', for which our team was on-hand every day to socialise with passers-by and clients.

THE GLOBAL MARKETPLACE FOR BOATS™

WWW.THEYACHTMARKET.COM

There were multiple highlights of the show including the awards and exhibitor party, with multiple pop-ups and activities, held in the Quarterdeck. We were also lucky to have the opportunity to watch beautiful sunsets from our very own bar throughout the week. Our team revelled in meeting customers face-to-face and learning about new launches and initiatives from the wide variety of exhibitors at the show. It was an educational as well as successful show and we look forward to our ongoing conversations with existing customers and prospects.

The next show we will be attending is Fort Lauderdale International Boat Show, starting on 30th October. We'd love to see you there so make sure to get in touch with us over the coming weeks to book a meeting.
